

# FACTS AND FIGURES 2019/2020

## STUDY AND YOUNG RESEARCHERS

Total number of students (excluding doctoral students)	24,802
Total number of doctoral students	8,377
Total number of postdoctoral researchers	1,113
Total number of junior research group leaders	78
<hr/>	
Total number of PhD graduations	1,166
Total number of habilitations	89

## RESEARCH

- 2 New Clusters of Excellence (DFG, Excellence Strategy)
- 2 Clusters of Excellence (DFG, Excellence Initiative, 2006/07–2019)
- 4 Graduate Schools (3 funded by DFG, Excellence Initiative, 2006/07–2019)
- 17 Collaborative Research Centres coordinated by Heidelberg University (DFG)
- 6 Research Training Groups coordinated by Heidelberg University (DFG)
- 8 Long-term projects in cooperation with the Heidelberg Academy of Sciences and Humanities
- 12 Research Units (DFG)
- 28 ERC Grants currently running (7 Advanced, 10 Consolidator, 8 Starting, 3 Synergy Grants)
- 64 ERC Grants (22 Advanced, 14 Consolidator, 25 Starting, 3 Synergy Grants) acquired since 2008
- 4 German Centers for Health Research
- 1 FET EU Flagship Programme: Human Brain Project (1 of 6 technical project platforms)
- 1 BMBF Research Campus: Mannheim Molecular Intervention Environment (M<sup>2</sup>OLIE)

## FUNDING

<b>Total budget</b>	<b>€ 771 millions</b>
University, without Medicine	€ 397.9 millions
<hr/>	
<b>Third-party funding</b>	<b>€ 282.1 millions</b>
University, without Medicine	€ 129.2 millions
<hr/>	
<b>State government grants</b>	<b>€ 460.2 millions</b>
University, without Medicine	€ 249.4 millions
<hr/>	
<b>Other</b>	<b>€ 22.4 millions</b>
University, without Medicine	€ 15.4 millions

## PERSONNEL

<b>Staff</b>	<b>8,377</b>
University, without Medicine	4,217
<hr/>	
<b>Professors</b>	<b>492</b>
University, without Medicine	327
<hr/>	
<b>Academic staff (without professors)</b>	<b>5,580</b>
University, without Medicine	2,135
